Hi Andrea,

Perhaps a glitch of some kind. No apparent problems from anyone else on the list. If there's an electronic issue,

I usually get a report informing me of an "undeliverable" email. I looked and didn't find anything pertaining to

Huntington.

Although the public notice period has closed, I still encourage you to informally touch base with Danielle Gaito

on Huntington.

Regards,

Olga

Olga,

Thanks. I did get the one for Ipswich on 3/8 and Pilgrim today. I looked through my inbox and deleted email folder, and nothing for Huntington seems to have ever gotten to me, but looks like it's a problem on my end. Oh well.

Andrea

Hi Andrea,

Attached please find the email that was sent to you (and others on the PN list) on March 7, 2016.

I do see that the NPDES no. was transposed in the message sent, but the number was correct

on the notice itself.

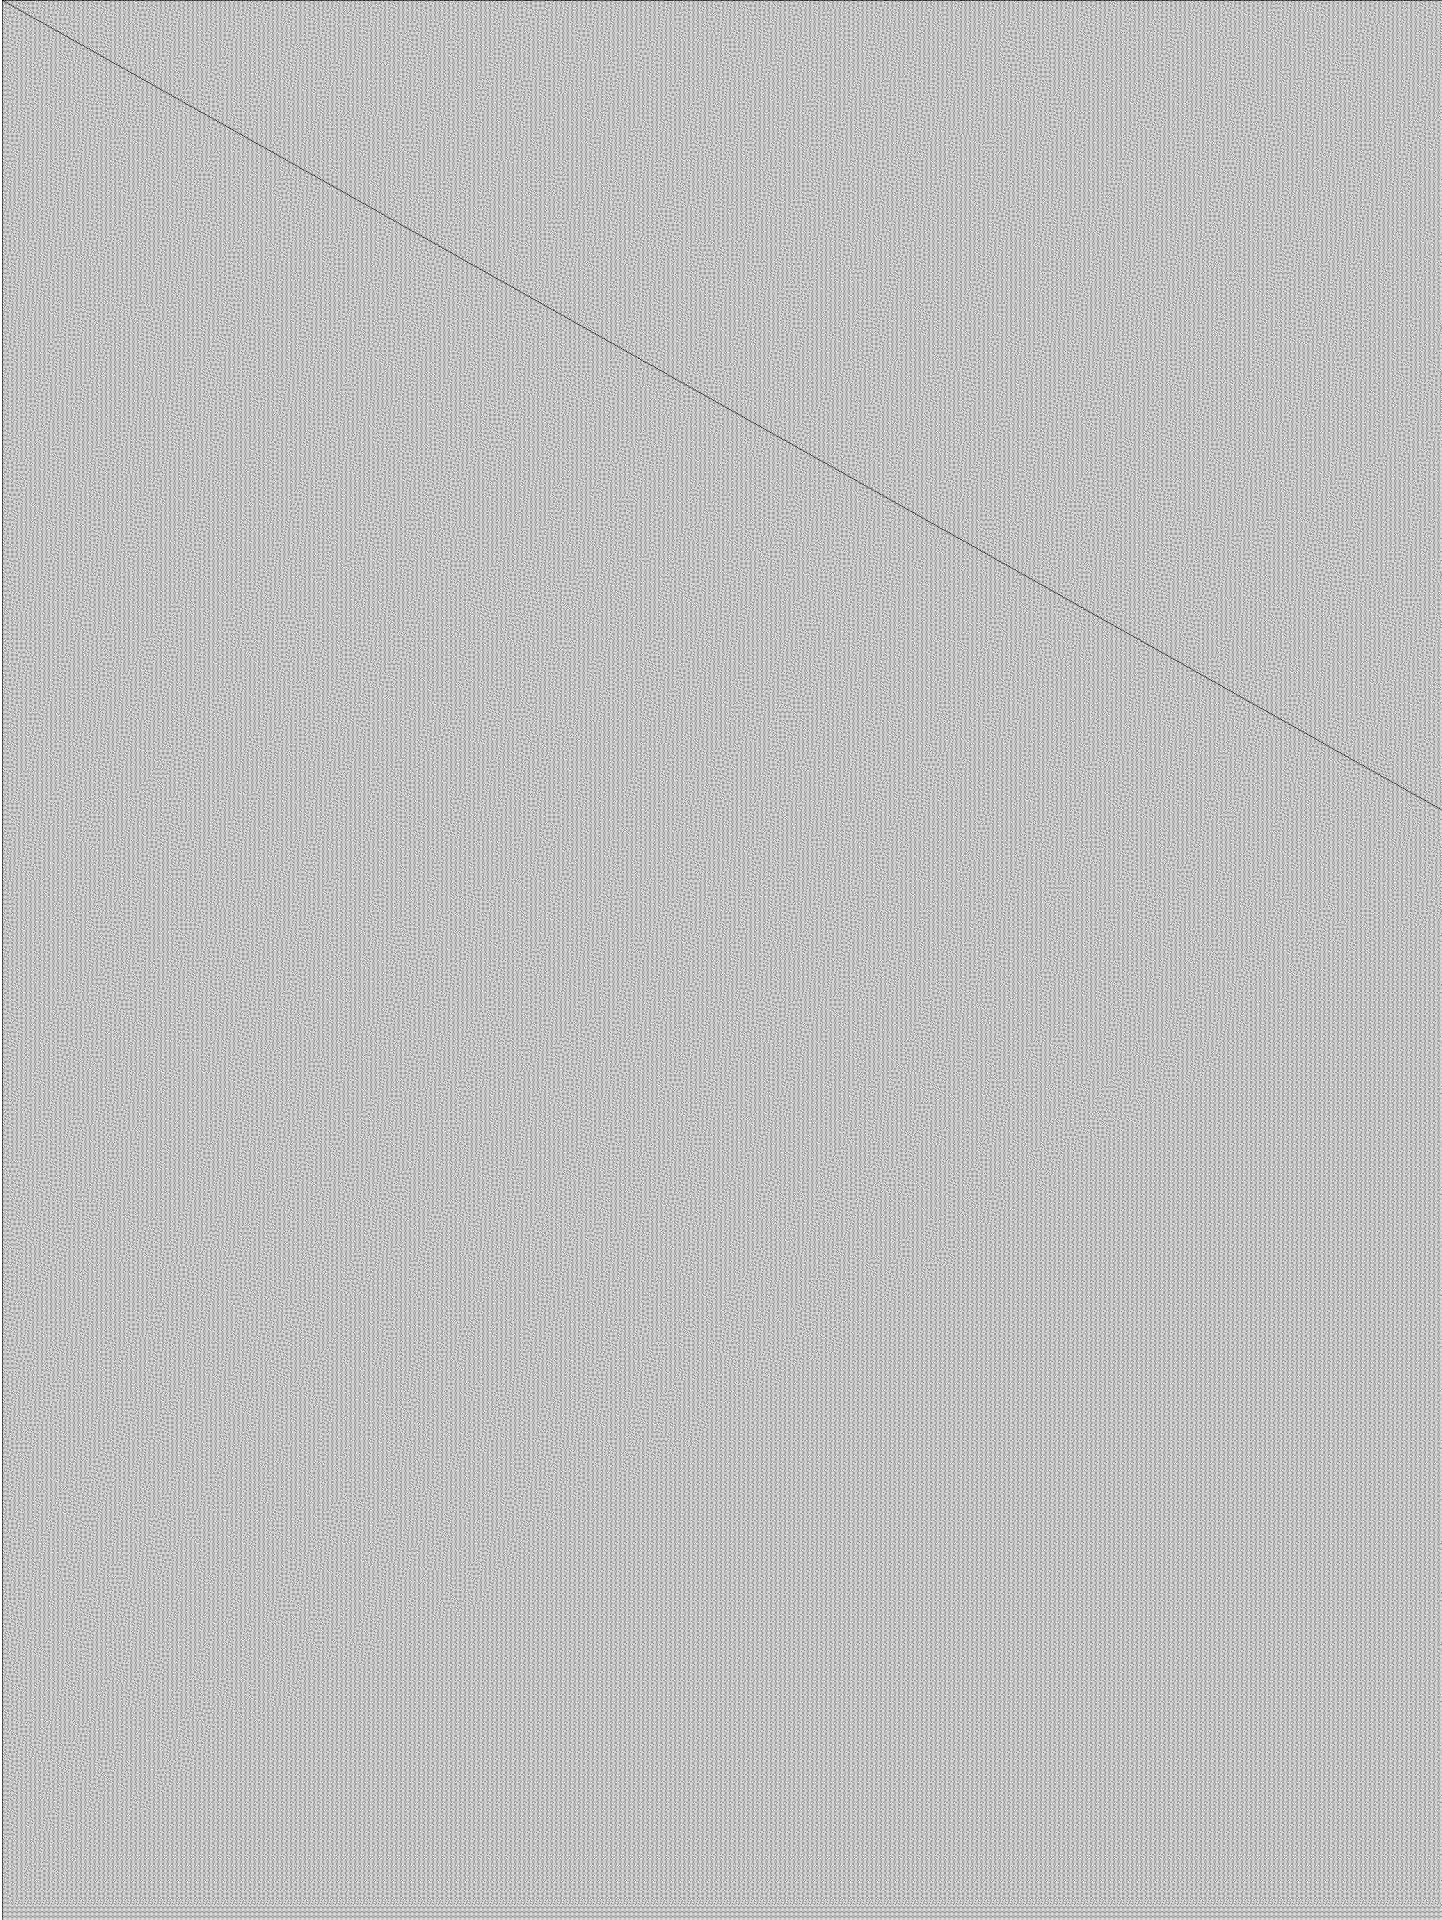

Please know that I only delete/edit email addresses when someone contacts me to make a change.

Have you been getting other emails relative draft permits, e.g. Ipswich, Pilgrim this morning?

If you have any further questions/concerns, please contact me.

Thanks,

Olga
